Middlekauff-Wiles Farm and Cemetery

Architectural Survey File

This is the architectural survey file for this MIHP record. The survey file is organized reverse-chronological (that is, with the latest material on top). It contains all MIHP inventory forms, National Register nomination forms, determinations of eligibility (DOE) forms, and accompanying documentation such as photographs and maps.

Users should be aware that additional undigitized material about this property may be found in on-site architectural reports, copies of HABS/HAER or other documentation, drawings, and the “vertical files” at the MHT Library in Crownsville. The vertical files may include newspaper clippings, field notes, draft versions of forms and architectural reports, photographs, maps, and drawings. Researchers who need a thorough understanding of this property should plan to visit the MHT Library as part of their research project; look at the MHT web site (mht.maryland.gov) for details about how to make an appointment.

All material is property of the Maryland Historical Trust.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The house on this farm is a two story, five bay brick structure with Flemish bonding at the front wall and common bonding at the other elevations. High flat arches are present above first story windows. The main entrance is located in the center bay of the front elevation which is off set slightly toward the north. Windows have late 19th century two over two pane sashes.

Northeast of the house is the site of a former grist mill. No evidence of it remains except for a mill dam of old concrete. On a hill west of the house is a cemetery where members of the Middlekauff family are buried.

The house would appear to date from the second quarter of the 19th century.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This complex is significant as a farm, milling operation and for the family cemetery on the property. The house, although run down, is stately and a good example of period brick vernacular architecture.
